

YOUTH WORKER COACHING COHORT

Fact Sheet

A UNIQUE YOUTH MINISTRY COACHING EXPERIENCE DESIGNED TO MAKE YOU BETTER

PURPOSE OF THE COACHING COHORTS

Statistics tell us that churches are shrinking and young people are 'graduating' from their faith at an alarming rate. Conservative numbers tell us that of students who love Jesus and are connected to a church community through high school, 50% will walk away from their faith post high school and are not returning at a later age. We believe those current statistics can be changed. We want to change the tide. One of the best places for us to create impact is to help build healthier, stronger, more impactful youth ministries. How do we do that? But developing incredible youth pastors and leaders who are equipped and empowered to lead for 'such a time as this.'

Our goal is to offer a unique youth ministry coaching experience designed to make you better.
